What We Believe

Let’s add a timer to the First Token Sale.

Let’s put the section in dark green.

Do the edges of the circles in orange (similar to how we’re doing Our Vision).

Put the middle of circles in white.

Make this very mobile friendly.

Make this look great on the web.

CRITICAL: Do a countdown that starts at 12pm PST on Tuesday August 8th for 30 days.

Add this to /firsttokensale

Also add to the footer of the site, just below the token sale details
